School and College Engagement

We offer a range of activities such as talks, workshops and academic masterclasses for students, covering each stage of a student's journey to higher education. In addition to our core offer, we can attend careers and progression events, and talk with parents and guardians at events or through information sessions.

You can [see our existing activity offerings on our website](#).

CPD Conference

Our **Leaders and Advisors conference** is just round the corner on 22nd February. The conference focuses on HE progression including changes in UCAS, compassionate pedagogy, partnership development, enterprise and employability, supporting care-experienced and under-represented groups to progress to university and much more.

It would be great to see you there

COLLEGE COURSES

College done differently

At Brackenhurst, we believe that you can't really learn about the outside from the inside. That's why all our animal, land and science-based college courses are hands-on. They prepare students for the world of work, as well as allowing progression to further study (maybe even right here at NTU).

We offer post-16 Level 2 and Level 3 courses in animal management and care, equine management, agriculture, wildlife conservation and applied science.
